

## Bullying Prevention Policy

### OUR VISION

*"Australian schools are safe, inclusive and connected learning communities that promote positive relationships and wellbeing as a foundation for children and young people to reach their full potential."*

All students have the right to feel safe, respected and included. Our learning communities are free from bullying and harassment.

Our school climate fosters healthy and respectful relationships. We will create this with our students, families and the broader community.

We will model behaviour that:

- Demonstrates respect
- Value diversity
- Promote belonging and wellbeing

At Hawthorndene Primary School we all have a responsibility to behaviour in a way that is consistent with our school values. All school community members (students, parents, staff and community members) have the right to feel safe, to teach and to learn in a harassment free environment. Harassment/Bullying in any form is unacceptable. Hawthorndene Primary School strongly believes offering a safe learning environment leads to improved student learning outcomes, student empowerment and co-operation.

## **DEFINITIONS**

Bullying: A national definition of bullying has been endorsed by the Education Council.

- Bullying is an ongoing and deliberate misuse of power in relationships through repeated verbal, physical and/or social behaviour that intends to cause physical, social and/or psychological harm. It can involve an individual or a group misusing their power, or perceived power, over one or more persons who feel unable to stop it from happening.
- Bullying can happen in person or online, via various digital platforms and devices and it can be obvious (overt) or hidden (covert). Bullying behaviour is repeated, or has the potential to be repeated, over time (for example, through sharing of digital records).
- Bullying of any form or for any reason can have immediate, medium and long-term effects on those involved, including bystanders.
- Single incidents and conflict or fights between equals, whether in person or online, are not defined as bullying.

## **BULLYING HAS THREE MAIN FEATURES**

It involves a misuse of power in a relationship

Conflict or fights between equals are not defined as bullying. Bullying occurs where there is a power imbalance. This might come from:

- The context. *For example; a number of children acting against one child*
- Personal characteristics. *For example; different physical, emotional or social development*

One act by a single person might be bullying if:

- The behaviour adds to a series of other people's behaviour that misuse power and result in harm
- It can be shared online or through technology to a wide audience, or repeated with multiple views
- It involves behaviour that can cause harm.
- Bullying can cause physical and psychological harm.
- Physical harm can include injury. It can also include theft or damage to belongings.

Psychological harm can include:

- Anxiety
- Not wanting to go to school
- Lack of interest in school
- Isolation and depression

Psychological harm can last some time. It will depend of a student's situation and the support available to them. Support might come from family, school and friends.

A fear of being bullied can create psychological harm

### **EXAMPLES OF BULLYING**

- **Physical:** Hitting, kicking, tripping, pinching, pushing or damaging or stealing belongings
- **Verbal:** Verbal abuse, name calling, insults, teasing, intimidation or threats
- **Social:** Social exclusion, lying, spreading rumours, unkind facial expressions or body language, mean and condescending looks, playing jokes to embarrass and humiliate, mimicking and damaging someone's reputation or social relationships.
- **Cyber:** Cyberbullying is online bullying. It uses technology, including social media platforms. Verbal and social bullying can be cyberbullying when they occur online.

Cyberbullying includes:

- Abusive texts and emails
- Hurtful messages, videos and images, including images that have been changed
- Sharing personal images and videos without consent
- Pretending to be someone else online to be hurtful

### **HARASSMENT, DISCRIMINATION AND VIOLENCE**

Bullying, harassment, discrimination and violence all create or add to a negative environment. This can make students feel unsafe and unable to reach their full potential.

#### **HARASSMENT**

Harassment is behaviour that targets an individual or group. This can be because of their; identify; race; culture or ethnic origin; religion; physical characteristics; gender; sexual orientation; age or ability. It offends, humiliates, intimidates or creates an unsafe environment. It might be a pattern of behaviour or a single act. It might be on purpose or unintended.

#### **DISCRIMINATION**

Discrimination happens when people are treated differently to others. This can be because of their identity; race; culture or ethnic original; religion; physical characteristics; gender; sexual orientation; age or ability. Discrimination interferes with people's right to fair treatment and equal opportunities.

#### **VIOLENCE**

Violence is the intentional use of physical force or power. It can be threatened or actual, against another person. It might result in psychological harm, injury or in some cases death. It might involve provoked or unprovoked acts. It can be one incident, a random act or can happen over time.

Bullying, harassment, discrimination and violence may be based on gender, race, sexuality, culture, religion, disability and care status. Bullying, harassment, discrimination and violence for any reason is not acceptable in South Australian public schools. It will be responded to:
