

Hawthorndene Primary School Parents and Friends Purpose statement

The Hawthorndene Primary School Parents and Friends (P&F) contributes to building and maintaining a positive community culture based on respect, trust and understanding. The group is committed to representing and valuing the community's diversity of opinions, experiences and ideas to benefit and enhance every school experience, both inside and outside the classroom.

The P&F fosters friendships and develops a support network within the school community by:

- working in partnership with the school,
- helping parents engage with the school community,
- developing a community spirit and positively promoting and supporting the school in the wider community,
- coordinating events for HPS students and families and
- fundraising to assist the school in resourcing initiatives that enhance learning.
